(b) whether security aspect is kept in view while outsourcing these services;

(c) if so, the details thereof and if not, the reasons therefor; and

(d) the measures taken by the Government to ensure safety aspect while outsourcing services at various airports in the country?

Answer

MINISTER OF CIVIL AVIATION (SHRI AJIT SINGH)

(a): Airports Authority of India (AAI) carries out its commercial activities which are revenue earning contracts through grant of licences, which is done by call of tenders. However in respect of conservancy and Birds Scaring Services on the airside, which are basically expenditure contracts, these are outsourced. Details of airports where such services have been outsourced are given at Annexure I & II respectively.

(b) & (c): Yes, Madam. Police verification reports of the contractor and workers are obtained before issuing Airport Entry Permits.

(d): All Airport Safety Rules as per laid down Directorate General of Civil Aviation (DGCA) guidelines are implemented on outsourced works.
